This technical drawing is an exploded view of a mechanical assembly, likely a portable electronic device. The main assembly consists of a base plate (1) with various components mounted on it. Key parts include a large circular component (31) with a central shaft (22), a smaller circular component (33) with a central shaft (32), and a rectangular component (64) with a central shaft (27). A cable (76) is connected to the assembly via a plug (87). The assembly is secured with numerous screws (e.g., 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 23, 24, 25, 26, 28, 29, 30, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91). An inset in the bottom right corner shows a detailed view of a sub-assembly, including a circular component (31) and a rectangular component (64) with a central shaft (22) and a cable (76) connected to it.
